We help skilled trades and business stay visible, gain leads and retain clients

The Garage leverages a combination of effective commercial and custom Marketing Tools.

Your Website Shouldn't be your Second Job

The Garage

The Reality

Most business owners don't have time to manage a website.

And yet... that website is expected to:

- Bring in leads
- Represent the business
- Stay fast, secure, and updated

It's a lot to keep up with.

The Garage

Worse yet

Most business owners don't know how to stay visible **LOCALLY**

- Social Media choices are overboard
- What's a funnel? What about surveys?
- Lead in pages made a come back?

It's all just more time working nights, learning and toiling

The Garage

What You Actually Get

Not tools. Not dashboards. Nope, not logins and not tickets.

You get:

- A website that stays current
- A business that looks active
- Leads that don't slip through

Issues handled and sales pursued, every single day

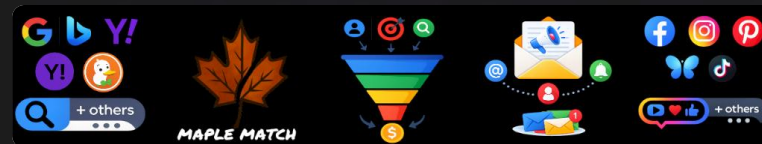

The Garage

The Concept

Welcome to The Web Garage

A place where your website and active marketing is:

-  Configured by Industry Pros
-  Tuned and updated
-  Leads brought to you using today's channels

The Garage

Always Running Smooth

We keep your site:

- Fast
- Secure
- Up-to-date
- Healthy

Like a regular tune-up...

but for your online presence.

The Garage

Quiet Fixes Done For You

No late nights figuring out how to fix and change things?

We've already handled it:

- Text updates
- Image swaps
- Page tweaks
- Little improvements that keep your business relevant

No tickets. No chasing. No hassle.

The Garage

Your Site Feels Alive

Your Site Feels Alive

Most websites sit still. Yours won't because we:

- Refresh content
- Make improvements
- Add elements that capture inquiries, urge contact, make sales

So your business is always active and producing results.

The Garage

Built To Bring in Leads

Your website becomes more than a brochure.

We introduce:

-  Simple lead capture
-  Smart page layouts
-  Focused improvements over time

Designed around how customers actually decide.

The Garage

You Stay in the Loop (without logging in)

No dashboards. No back offices.

We stay connected through simple communication
(even right from your phone)

You always know what's happening—
without managing anything.

The Garage

This is NOT DIY

This isn't

- A builder
- A plugin
- A system to learn

This is...

Handled

The Garage

Who its for

Built for:

-  Service businesses
-  Local operators
-  Owners who are busy running their business

People who want **results** - not another **webtool**

The Garage

The Outcome

What it feels like:

-  Your website works
-  Your business looks sharp
-  Things get done

You didn't have to chase any of it

The Garage

Your Website Shouldn't Be Another Job

With The Web Garage...

- You have a team
- Our job is to help get you customers and leads

You get to do what you set out to when you started your business

The Garage

Can you afford not to?

How many new sales cover The Garage fees? One? Two?

- An online management expert
- An online marketing expert
- An online developer
- An online tech

4 skilled, business-improving **experts** that cost less than one staffer.
